**May 4, 2020,
Syracuse, New York**

It's **Teacher Appreciation Week** (May 4-8) and now, more than any other year, it is important for us to take time out of our day to **Celebrate our Schools**.

During these Covid times, teachers and school staff across the City are going above and beyond to stand by our children and help them continue to grow and learn.

Inspired by the evening Covid Cheer in New York City, the parents and students of **OnTECH Charter High School** are asking you to join them as they **Celebrate Our Schools** in Syracuse.

On **May 7 at 7 p.m.** please step out on your doorstep and celebrate school staff by clapping and cheering for them---thanking educators for the work they are doing in keeping up our students' hearts and minds during these difficult times.
